The specification on page 1 has been amended as follows:

On page 1 at line 8, the phrase "December 18, 2002," has been deleted and replaced with --December 18, 2002, now abandoned,--.

On page 1 at line 9, the phrase "September 24, 2002," has been deleted and replaced with --September 24, 2002, now abandoned,--.

The above amendments to page 1 of the specification were done solely to provide the updated status of the applications relied upon for priority under 35 USC 120. This was an informality that an examiner can correct by an informal examiners amendment, as has been done here.

2. The following is an examiner's statement of reasons for allowance: The claims are considered to be allowable over the prior art of record for the reasons set forth in the decision by the Board of Patent Appeals and Interferences dated 12/27/2010.
